Harry's on Buderim Team

ABOUT HARRY'S

Harry's on Buderim is a restaurant with over three decades of history and owners. Our Chef Patron Stuart Bell became the owner in 2018. However, years on one could argue he is the resident custodian of Harrys due to his passion for food, service and ensuring the very essence of this 1880 built premise remains relevant now, and into the future.

Harry's on Buderim function packages allow the opportunity to book groups from 8 - 34 people within the dining areas of our heritage homestead. Nestled within the Buderim Forest Park guests will experience the ambience of this beautiful space complimented by a memorable culinary experience.

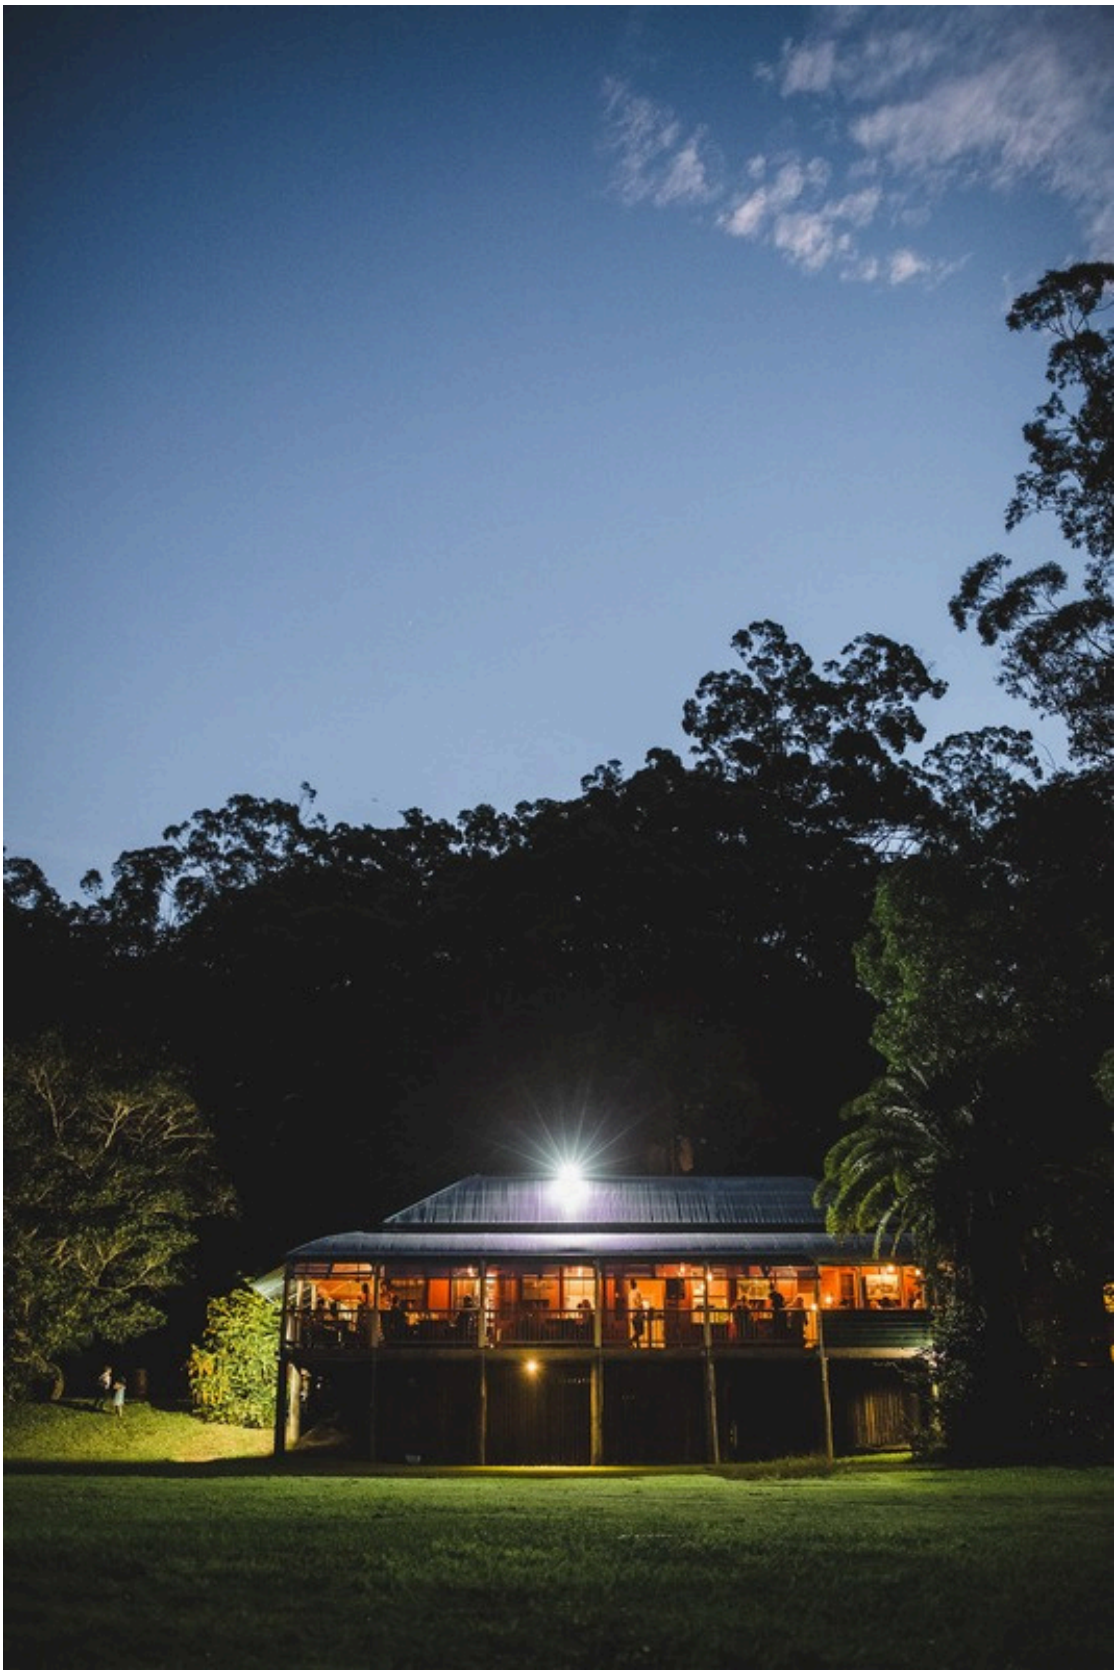

Harry's also offers the Exclusive Use of Venue for your event. This booking means you can experience the venue exclusively for just you and your guests. A private event with exceptional food, beverage and ambience on offer whilst also adding your touches such as theming, music, speeches, presentations, dance areas, musicians, flowers, or entertainers.

Harry's on Buderim would like to acknowledges the traditional custodians of this land of which we work and live. We recognise the Aboriginal and Torres Straight Community and their continuing connections to land and water. We pay our respects to elders, past, present and future.
The name Buderim is derived from the Aboriginal word 'badderam' meaning honeysuckle (a type of Banksia), a plant which grew abundantly around the plateau.

ABOUT CHEF/OWNER STUART BELL

Stuart Bell has over 30 years industry experience, having worked for Paul Bocuse, Philippe Mouchel, Jacques Reymond,The Windsor Hotel in Melbourne and Michelin Star Restaurants in Europe.

Stuart is a two hatted chef with The Age Good Food Guide 2018. Whilst in his last role as Head Chef at Ten Minutes By Tractor Restaurant & Winery on the Mornington Peninsula in Victoria, Stuart raised the profile of the restaurant by achieving Two Chefs Hats from The Age Good Food Guide which he retained for 6 years.

Stuart decided to move to the Sunshine Coast in 2018 to take over the reins at the iconic restaurant “Harry’s on Buderim”. the old Queenslander poignantly reminding Stuart of previous restaurants where he had worked, also set in historic houses.

Stuart is determined to use as much local produce as possible, be it from local farmers or suppliers and with the abundance available on the Sunshine Coast, the choices are limitless. Stuart creates seasonal menus and monthly degustation events.

WHY BUDERIM FOREST PARK?

A ROMANTIC RAINFOREST SETTING

The forest's greenery, creek crossings and Serenity Bridge offer beautiful scenery for wedding portraits, first-look photographs and couple's photography. Dappled light filtering through the canopy creates a particularly atmospheric look.

A RELAXED OUTDOOR CEREMONY

The park has picnic areas and grassy spaces that may suit a small, informal ceremony. However, it is a public reserve, so you should not assume the space will be private or exclusively yours.

NATURAL WEDDING PHOTOGRAPHY

The elevated timber boardwalk and rainforest trails provide a range of backdrops, from lush greenery to creekside scenes. Some sections are accessible, but the trails leading farther towards the falls become steep and uneven.

WEDDING FOLLOWED BY A LOVELY RECEPTION

If you're considering the forest for the ceremony and photographs, a reception at Harry's can make the day much easier for you and your guests.

Located right beside the forest, Harry's offers a heritage-style homestead setting, a leafy outlook and modern Australian dining. It is a natural option to explore for a wedding reception, celebratory lunch or intimate dinner after a ceremony in the park.
